Shape Sorter Play Bench

Item number 76011

A hammering bench and shape sorter in one. Removable shapes, each with its own rattle sound, fit into colour-matched holes and are hammered straight through the bench; turn it over and the child can start again. The hammer is attached for safe keeping, so nothing goes missing, and the bench gives satisfying, repeatable practice in matching, fitting and hitting.

KEY FEATURES

-  **Attached hammer**
The hammer stays tethered to the bench for safe keeping.
-  **Hammer straight through**
Shapes pass through; turn the bench over to reset.
-  **Rattling shapes**
Each removable shape rattles with an individual sound.
-  **Colour matched holes**
Shapes and holes match by colour and by shape.

LEARNING & DEVELOPMENT

-  **Hand-eye coordination**
Aiming the hammer at each shape and striking it cleanly.
-  **Shape recognition**
Each shape fits only its own hole; the wrong one will not go in.
-  **Colour recognition**
Colour matching gives a second clue to the right hole.
-  **Fine motor skills**
Fitting, hammering and removing shapes builds manipulation skills.

PRODUCT INFORMATION

Specifications from the TOLO product database

Age	12 months +
Item number	76011
UPC / EAN	019287760118
Contents	Play bench with attached hammer, rattling shapes

Packaging dimensions	25 × 15.5 × 13 cm
Product weight	0.47 kg
Master carton	12 pcs · 52 × 48.5 × 28.5 cm · 0.072 m ³ · 8.2 kg gross

Sits alongside the Activity Shape Box (76010) and Rolling Shape Sorter (76007) in the Classic Shape Sorters category.
