Funtime Fishing Set

Item number 76013

A bath fishing game with three friendly fish and a magnetic worm on a fishing line. The child holds the rod, dangles the worm to attract a fish, then winds the reel to bring it in. Push a fish underwater and it blows bubbles. Counting the catch, taking turns and talking about float, sink and underwater turn bathtime into a small shared game.

KEY FEATURES

-  **Hook and reel**
Catch a fish with the worm and wind it in.
-  **Magnetic worm**
The worm on the line attracts each fish for an easy catch.
-  **Bubble-blowing fish**
Submerge a fish and it blows bubbles underwater.
-  **Bright colours**
Three brightly coloured fish are easy to spot in the water.

LEARNING & DEVELOPMENT

-  **Hand-eye coordination**
Holding the rod in one hand and winding with the other to land a fish.
-  **Water play**
Fish float, sink and blow bubbles, showing how water behaves.
-  **Early numeracy**
Counting the fish and how many are caught in a turn.
-  **Social interaction**
Taking turns with the rod in mini fishing competitions.
