Baby Fire Engine

Item number 76022

A free-wheeling fire engine from the TOLO Classic Baby Vehicles series, for babies from six months. Babies push and roll it across the floor, follow it as it travels and twist the driver's head. It is safe for teething and built to withstand daily handling. Rolling play encourages reaching and crawling, while parents can talk about the vehicle, its colour and the sounds it might make.

KEY FEATURES

-  **Free wheeling**
Rolls smoothly when pushed, so babies can chase and retrieve it.
-  **Twisting driver**
The driver's head twists round for early fine motor practice.
-  **Safe for teething**
Suitable for mouthing by babies from six months.
-  **Strong and durable**
Built to withstand repeated handling and rolling in busy settings.

LEARNING & DEVELOPMENT

-  **Fine motor skills**
Twisting the driver's head and gripping the engine exercise small hand movements.
-  **Movement & gross motor**
Following the rolling fire engine motivates reaching, crawling and moving across the floor.
-  **Language development**
Talking about the fire engine's colour, features and sound effects builds early vocabulary.
-  **Social interaction**
Pushing the vehicle back and forth creates a simple turn-taking game with an adult.

PRODUCT INFORMATION

Specifications from the TOLO product database

Age	6 months +
Item number	76022
UPC / EAN	019287760224
Contents	Baby Fire Engine

Packaging	Hangtag, in a paper bag
Product weight	0.09 kg
Master carton	80 pcs · 41.5 × 39.5 × 38.5 cm · 0.063 m ³ · 9.6 kg gross
