Roly Poly Teddy Bear

Item number 76025

A rounded teddy bear that rolls, spins and wobbles on any flat surface, with a squeaker in its tummy. Babies from six months grasp it easily, set it wobbling and press the tummy to hear the squeak. Watching the bear right itself and repeating the action teaches cause and effect, and its simple shape supports independent play while adults praise and encourage.

KEY FEATURES

-  **Tummy squeaker**
Press the tummy to hear the squeak.
-  **Spin and wobble**
Rolls, spins and wobbles about on a flat surface.
-  **Easy to hold**
