First Friends Polar Boy

Item number 76047

First Friends Polar Boy is a polar-themed character for children from one to five years. The child clicks the arms and legs into different poses, squeezes the tummy to hear it squeak, and sits him on the sledge or in the igloo to bring the polar world to life. He is safe for teething, so the youngest children explore him with mouth as well as hands.

KEY FEATURES

-  **Clicking arms and legs**
Move them into a pose and hear the click.
-  **Squeaking tummy**
Press the tummy for a squeak.
-  **Safe for teething**
Suitable for the youngest children to mouth.
-  **Fits every seat**
Sits in any First Friends vehicle or building.

LEARNING & DEVELOPMENT

-  **Imaginative play**
A polar character to drive the sledge and live in the igloo.
-  **Fine motor skills**
Clicking limbs into position and pressing the tummy work small fingers.
-  **Language development**
Children talk about who he is, what he wears and what he does.
-  **Cause and effect**
Every movement clicks and every squeeze squeaks.
