

FIRST FRIENDS · POLAR

First Friends Seal

Item number 76051

First Friends Seal is a friendly-faced polar animal for children from one to five years. The child clicks its head, flippers and tail into different positions and poses it balancing or lying flat. Safe for teething, it is explored with mouth and hands first, then joins the penguin, polar bear and husky in stories about the icy world where seals live.

KEY FEATURES

-  **Clicking flippers and head**
Each part clicks as it moves.
-  **Poseable flippers**
Move the flippers for a variety of poses.
-  **Friendly face**
A cute character for children to get to know.
-  **Safe for teething**
Suitable for the youngest children to mouth.

LEARNING & DEVELOPMENT

-  **Imaginative play**
Joins the other polar animals for stories on the ice.
-  **Fine motor skills**
Clicking flippers, head and tail into position works small hands.
-  **Language development**
Children learn words for flippers and tail and talk about where seals live.
