First Friends Sledge Set

Item number 76054

The First Friends Sledge Set brings a Polar Boy driver and a Husky together with a sledge on discreet wheels. The child pushes or pulls it along, or pulls it back and lets go to watch it speed off on its own. Polar Boy's recessed hands clip securely to the handlebars, and the sledge seats two First Friends characters for shared polar adventures.

KEY FEATURES

-  **Pull-back action**
Pull back, let go and the sledge speeds along.
-  **Discreet wheels**
Easy to push or pull across the floor.
-  **Clips to handlebars**
Polar Boy's recessed hands hold the handlebars securely.
-  **Seats two characters**
Room for any two First Friends figures.

LEARNING & DEVELOPMENT

-  **Cause and effect**
Pulling back and releasing sends the sledge racing forward.
-  **Imaginative play**
Husky, driver and sledge set up polar journeys and rescues.
-  **Hand-eye coordination**
Clipping the driver's hands to the handlebars takes careful placing.
-  **Social interaction**
Two seats invite a second child or character to join the ride.
