First Friends Lion

Item number 76065

The First Friends Lion is a posable animal figure with a clicking head and tail and legs that move into a variety of poses. The child turns the head to hear it click, swings the tail and stands or sits the lion for pretend play. It is safe for teething and collectable, and works well alongside the other First Friends animals for roaring, storytelling and simple conversation about wild animals.

KEY FEATURES

-  **Clicking head and tail**
Head and tail turn with a click the child can hear and feel.
-  **Moveable legs**
Legs move into a variety of poses for standing, walking or sitting.
-  **Safe for teething**
Made to be mouthed safely by younger children.
-  **Collectable figure**
Plays alongside the other animals and figures in the First Friends collection.

LEARNING & DEVELOPMENT

-  **Fine motor skills**
Turning the head and tail and posing the legs works small hand movements.
-  **Cause and effect**
Each turn produces a click, linking the child's action to a result.
-  **Imaginative play**
A posable lion invites role play with other First Friends animals and figures.
-  **Language development**
Roaring together and naming the lion's features builds sounds and vocabulary.
