

FIRST FRIENDS · SAFARI & WILD

# First Friends Panda

Item number 76068

The First Friends Panda is a friendly faced, posable animal figure that can sit or stand. The child turns the clicking head and tail and moves the arms and legs into a variety of poses. It is safe for teething and collectable, and it slots easily into pretend play with other First Friends animals while giving parents a simple prompt for talk about the panda's features, sounds and food.

## KEY FEATURES

-  **Clicking head and tail**  
Head and tail turn with a click the child can hear and feel.
-  **Moveable arms and legs**  
Arms and legs move into a variety of poses.
-  **Sits or stands**  
The panda can be posed sitting or standing.
-  **Safe for teething**  
Made to be mouthed safely by younger children.

## LEARNING & DEVELOPMENT

-  **Fine motor skills**  
Turning the head and tail and posing arms and legs works small hand movements.
-  **Cause and effect**  
Each turn produces a click, linking the child's action to a result.
-  **Imaginative play**  
A panda that sits or stands invites role play with other First Friends animals.
-  **Language development**  
Talking about the panda's features, sounds and food builds vocabulary.
