First Friends Go-Kart

Item number 76101

A pull-back Go-Kart with its own First Friends Racing Driver. Pull the kart backwards, let go and it speeds across the floor, or push it along freely by hand. The driver lifts out and sits back in, and has a squeaking tummy and clicking head, arms and legs. Children chase, retrieve and race it, adding engine noises and racing stories as they play.

KEY FEATURES

-  **Pull-back action**
Pull back, release and the Go-Kart races across the floor.
-  **Free wheeling**
Can also be pushed along by hand at the child's own pace.
-  **Racing Driver included**
Driver has a squeaking tummy and clicking head, arms and legs.
-  **Strong and durable**
Built to withstand repeated racing, chasing and floor play.

LEARNING & DEVELOPMENT

-  **Cause and effect**
Pulling back and releasing shows how a stored action makes the kart move.
-  **Movement & gross motor**
Children crawl and run after the kart to retrieve it.
-  **Hand-eye coordination**
Placing the driver in the seat and aiming the kart guides hand control.
-  **Language development**
Talking about wheels, steering wheel and horn builds vehicle vocabulary.

PRODUCT INFORMATION

Specifications from the TOLO product database

Age	1 - 5 years
Item number	76101
UPC / EAN	019287761016
Contents	Go-Kart, First Friends Racing Driver figure

Packaging dimensions	16.5 × 10 × 16.5 cm
Product weight	0.4 kg
Master carton	12 pcs · 35 × 32 × 35 cm · 0.039 m ³ · 5.31 kg gross

The seat fits every First Friends figure; sits alongside other First Friends vehicles such as the Police Car (76087) and Fire Engine (76086).
