# First Friends Cow & Horse Stable Set

Item number 76102

A First Friends Stable that comes with the First Friends Pony. Children open and close the stable doors, lead the pony in and out and pack everything away before lifting it by the carry handle. The pony's head turns, clicks and moves up and down, and its legs and tail click into position. Room inside for three ponies or other First Friends animals.

## KEY FEATURES

**Opening doors**

Stable doors open and close, just like a real stable.

**Carry handle**

Easy to lift, carry and tidy away after play.

**Pony included**

Turning, clicking head; moving, clicking legs and tail; safe for teething.

**Room for three**

Fits three ponies or other First Friends animals inside.

## LEARNING & DEVELOPMENT

**Fine motor skills**

Opening doors and clicking the pony's head and legs exercises small hands.

**Imaginative play**

Children stable, feed and lead the pony in farm stories of their own.

**Language development**

Talking about roof, doors, windows and farm builds new vocabulary.

**Problem solving**

Packing the animals inside and closing the doors is a simple tidy-up task.
