

FIRST FRIENDS · FARM

First Friends Farm House

Item number 76105

A First Friends Farm House that opens up to show the inside and closes for exterior play, complete with its own furniture and First Friends Girl and Boy figures. Children open and close the front door, arrange the furniture and fences, place the family inside and out, then pack everything away and carry it by the handle. Family life becomes a story children can act out again and again.

KEY FEATURES

-  **Opens for interior play**
Play with the house closed or opened out to reveal the rooms.
-  **Furniture included**
Comes with its own furniture to arrange inside the house.
-  **Working front door**
The door opens and closes, just like a real house.
-  **Girl and Boy included**
Squeaking tummy, clicking head, arms and legs; safe for teething.

LEARNING & DEVELOPMENT

-  **Fine motor skills**
Opening the door and arranging small furniture pieces exercises finger control.
-  **Imaginative play**
Children act out family routines inside and outside the house.
-  **Social interaction**
Two figures invite children to play together and share roles.
-  **Language development**
Talking about roof, chimney, windows and fence builds home vocabulary.
