Twist and Turn Rattle

Item number **76118**

The Twist and Turn Rattle is a first rattle for babies from three months. The child twists and turns it into different positions, shakes it to hear the coloured beads rattle, and watches it rock to and fro when set down. Colours, shapes and textures invite grasping and holding, building the early manipulative skills that underpin later play.

KEY FEATURES

-  **Twist and turn**
Moves into a range of twisted positions in small hands.
-  **Rocks to and fro**
Set it down and it rocks back and forth.
-  **Coloured rattling beads**
Shake it to hear and see the beads move.
-  **Colours, shapes and textures**
Different surfaces to look at, touch and hold.

LEARNING & DEVELOPMENT

-  **Fine motor skills**
Grasping, holding and twisting the rattle strengthens fingers and wrists.
-  **Cause and effect**
Shaking makes the beads rattle; pushing makes it rock.
-  **Sensory exploration**
Colours, shapes and textures give the baby plenty to see and feel.

PRODUCT INFORMATION

Specifications from the TOLO product database

Age	3 months +
Item number	76118
UPC / EAN	019287761184
Contents	Twist and Turn Rattle

Packaging dimensions	9.5 × 8.5 × 12 cm
Product weight	0.07 kg
Master carton	24 pcs · 36.5 × 30.5 × 26 cm · 0.029 m ³ · 3.2 kg gross

Sits alongside the Abacus Rattle (76001), Triangle Rattle (76002) and Gripper Rattle (76038) in the TOLO Classic rattle range.
