First Friends Scooter with Puppy

Item number 76126

A free-wheeling First Friends Scooter that comes with a First Friends Girl and her Puppy. Children push the scooter along the floor, seat the girl on it and chase after it as it rolls. The girl and puppy can be taken off for play on their own, giving children a rider, a pet and a vehicle to build simple stories around.

KEY FEATURES

-  **Free wheeling**
Push the scooter along and it rolls freely across the floor.
-  **Girl included**
A First Friends Girl rides the scooter and lifts off for separate play.
-  **Puppy included**
A First Friends Puppy comes along for the ride.
-  **Strong and durable**
Built to withstand repeated pushing, chasing and floor play.

LEARNING & DEVELOPMENT

-  **Movement & gross motor**
Children push the scooter along and crawl or run after it.
-  **Hand-eye coordination**
Seating the girl on the scooter and steering it guides hand control.
-  **Imaginative play**
Girl, puppy and scooter give children a ready-made scene to act out.
